September Newsletter 2023

It is with heavy hearts that we acknowledge the sudden and profound loss we have all experienced with the passing of our esteemed CEO/President, Montez Hairston. His leadership, unwavering dedication, and remarkable organizational impact have left an indelible mark on each of us. Montez was a tireless advocate for transparency and fairness in all that we do; his clear-eyed vision has shaped the very core of our beliefs and practices. As we mourn his untimely departure, we also honor his legacy by upholding the values he held dear.

In this time of sorrow and transition, the Board has appointed Rod Boddie as acting CEO/President. While no one can replace Montez and everything he has meant to the credit union, we will honor his memory by navigating these challenging times with resilience and unity, just as he would have wanted.

Finally, let us remember Montez not only for his professional accomplishments, but also for the personal connections he fostered and the positive impact he had on our lives. Please join us in holding his family in our hearts, thoughts and prayers.
